

## AVATAR MANICURE & PEDICURE

**MANICURE CLASSIC MANICURE ... \$15** This classy manicure features a smoothing warm lotion massage after your fingers have been trimmed & shaped to perfection.

**GEL MANICURE... \$35 --&gt; NOW \$30** This is the latest trend in nail polish. The polish not only help your nails be stronger but it also make them more shiny, prettier and last for longer time. The best point of gel polish is its long-lasting without chipping, at least 2 weeks. For many people, it may last 3 weeks or even a month, which depends on your nails structure as well as how you interact and work with your nails. In our Avatar shop, we have a confidence in doing gel nail and guarantee the perfect satisfaction for our customers. If something goes wrong with your gel done in our shop, please do not hesitate, just come and visit us, we will fix for you without any extra-charges. Especially, we are proud of our gel color collection with more than 200 colors coming from different well-known brand names such as OPI, Gelish, Shellac, IBD, Daisy, UV gel, etc. Just come and visit us and choose the perfect match for your gel nail & toes
