

Artificial Nails : ACRYLIC POWDER - PINK & WHITE - UV GEL BUILDER - SILK WRAPPED

We are strongly confident to offer you the best services in artificial nails with our experienced and professional technicians.

1. ACRYLIC NAILS

Acrylic Full Set:

35+ If you simply cannot grow long, attractive nails, we have the answer for you. Acrylic nails are strong, durable, with long lasting polish and are especially beneficial to nail biters.

Acrylic Fill: 25+

Acrylic Fill is done every two weeks to maintain acrylic nails.

Due to nail growth, the acrylic must be "filled in" at the nail bed.

2. GEL BUILDER

UV Gel Full Set (Gel builder): 45

UV Gel is a form of artificial nail application.

No-Odor, No-Dry time and Mirror finish. UV Gel looks and feel very, very natural, with or without an added tip. UV Gel is also great for strengthening your natural nail, while allowing your nails to grow.

There is little to no filling with UV Gel applications. Great for people who can't stand the filling motion when applying artificial nails.
